MSDS: TSDL News

Important 2017-18 TSDL Collection Dates:

7/12/18 – Second mid-collection data quality snapshot. To be included your records must be certified or error-free before July 12.

7/25/18 – Certification deadline at 11:59 p.m. EDT. All records must be certified by the deadline. The TSDL 2017-18 Checklist in the Helpful Hints to TSDL Reporting document can be used to confirm that you have included pertinent information.

Districts are only required to report students who fit into the following participant categories:

Grades 9-12

- Migrant education
- Dual enrollment
- Early Middle College
- Advanced Placement

All grades

- International Baccalaureate
- Virtual/online learning

If a student fits into one of these categories, then you must report every class the student took during the entire school year.

2018-19 TSDL Reporting Changes

In response to concerns from the field and in consultation with several districts and ISDs, updates are being made to the MSDS TSDL Collection beginning with the 2018-19 school year. These changes will clarify how to submit dual enrollment courses and make it easier to update and submit course records. To view these changes, please visit 2018-19 TSDL Reporting Changes.

EEM: D/CH Reporting Deadline

The deadline for submitting the Days and Clock Hours of Instruction Report (DS-4168) is nearing. District users can submit and certify reports until July 16 at 11:59 p.m. EDT. ISD users will have until Aug. 1 to review and certify the report.

Users with application questions can refer to the D/CH User Guide.

Questions regarding the State School Aid Act should be directed to Brian Ciloski at CiloskiB@michigan.gov, or 517-241-2209.

GAD and REP: MILogin Migration Update

In July GAD and REP will migrate from the Michigan Education Information System to MILogin.

CEPI is working with the MILogin team to automatically subscribe users who currently have access to GAD and REP and have an existing MILogin account (matching first name, last name and email address between MEIS and MILogin). Please do not create another MILogin account if you already have one.

CEPI will communicate the date of the migration with the final details for existing users.

MI School Data: Report Release News

New Home Page Planned

A new mobile-friendly home page for MI School Data will be released this month. The home page will include easy access to large features such as the Parent Dashboard and Student Assessment reports, and smaller features of high interest from the Early Childhood, K-12, Postsecondary and Workforce reports. The Report Calendar will be prominently placed as well for quick
