### **NABP Item Writer Workshop Update**

Abramson reported that she attended this two day workshop in Chicago that focused on the examination specific to foreign pharmacy graduates. She stated that she participated in this workshop with individuals from various backgrounds across the country. Abramson reported that attendees were asked to complete as many questions as possible and that those questions would then be submitted for additional review by the NABP. She advised that there was also opportunity for round table discussion amongst the attendees and stated that Michigan is on track nationally with other pharmacy boards.

### **Department Update**

Allen directed the Board to the legislative update contained in members' FYI folders. She stated that December 3 was the last legislative voting session day and that any bills not submitted for the Governor's signature would need to be introduced in the next session.

Allen introduced Board secretary Starla Walter who will be assisting the Board at future meetings.

With regard to the Peer Review Program, Bach indicated that he recently spoke with Doug Miller from District IV. He provided a brief background of the program and reported that a few changes need to be made to the program before it can be rolled out. Bach confirmed that this program has been approved by the Michigan Pharmacists Association.
