New Student Growth Report Available in Preview

The Center for Educational Performance and Information is pleased to announce that the following report is available at www.mischooldata.org in preview.

Important News

The Center for Educational Performance and Information has been working collaboratively with the Michigan Department of Education to create a new Student Growth report. This new report can be found behind secure login under the Student Assessment tab. Once the report is removed from preview it will be available for public users.

- **Student Growth.** 2015-16 school year data are available in preview. The Student Growth Report shows changes in student scores over time for students who have taken two or more consecutive summative assessments in Michigan.

**The preview window is for educators to see data before they're released to the public. Data are embargoed from being released to the media or any outside party until they're released publicly.*
