CEPI has updated the [calendar of events](#) with collection activities through the end of September 2018. We will notify you when the balance of the fall schedule has been posted.

MSDS News**MSDS Offline September 17 - 20**

The MSDS will be offline for system maintenance in preparation for the 2018-19 school year starting Monday, Sept. 17 through Thursday, Sept. 20. The Early Roster and Request for UIC collections will be available the afternoon of Friday, Sept. 21.

Upcoming collections: The Fall 2018 General, EC Fall 2018, Migrant TSDL 2018-19, and 2018-19 SRM collections will open on Wednesday, Sept. 26.

2017-18 SRM Collection Open for GAD Rate Appeals, Section 23a and EL Exits

The 2017-18 SRM Collection closes at 11:59 p.m. EDT on Wednesday, Sept 12.

Appealable rates are available for review in the GAD Application for the [Graduation Rate Appeals Window](#). Additional information on August Section 23a Claims and Exiting Proficient English Learner Students can be found in the [Aug. 1 CEPI Announcements](#).

Tip: If you incorrectly reported a student as a 2017-18 graduate, you should fix the student's status in the SRM. Set the student's exit status equal to "19" and "as of date" equal to the "exit date" of the graduate record previously submitted.

GAD and REP (including NPSPR) MILogin Migration

The GAD, REP, and Nonpublic School Personnel Report have migrated from MEIS to a more robust security/logon system called MILogin. This moves CEPI's applications closer to a single sign-on security stance. MILogin is the same security system currently used by MSDS and EEM.

For more information and to understand how users have been affected by this migration, please read the [MILogin migration announcement](#).
