## **COMMITTEE REPORTS**

### **CE Committee and CE Collaborative Report**

Brock stated that she and Robin Simpson will provide the Board with quarterly reports at the September meeting. She also stated that there is a discrepancy between the CE Collaborative's co-sponsorship agreement and the current administrative rules. The rules currently adopt the 2004 ACE standards, so the CE Collaborative's co-sponsorship agreement cannot require providers to follow the 2013 Ace standards until the rules are officially amended to adopt them.

## **OLD BUSINESS**

None

## **NEW BUSINESS**

### **Administrative Rules**

Barr explained that the Rules Committee has made significant progress on the administrative rules. The updated rules will be reorganized and clarified, and the rules will update ACE standards and continuing education rules.

Lind will provide administrative rulemaking training at the September meeting.

### **Department Update**

Lind noted that although the Board had previously discussed Senate Bills 575-578, the Bureau Director felt it important that all Board members be provided with copies of the associated public acts.

Barr updated Board members about SB 597, a bill that would require all health professional licensees to complete training in recognizing the signs of Human Trafficking. This requirement would apply to both original and renewal licenses.

Najor-Durack requested a representative provide the Health Professional Recovery Program (HPRP) annual report at the September meeting.

## **PUBLIC COMMENT**
