MSDS system maintenance is complete, and the system is now online. If you try to log on and receive a message that MSDS is still down for maintenance, please close all of your Internet windows, then go to <https://sso.state.mi.us/> and try again. This should clear any cached information and allow you to access the system.

The IHE Request for UIC Collection is now open through June 13, 2014.

If you have any questions, please send an email message to CEPI customer support at [CEPI@michigan.gov](mailto:CEPI@michigan.gov) or call 517-335-0505 and select option 3. Please provide your name, telephone number (including area code and extension), district code and district name (if applicable), along with your message.

Thank you,

CEPI
