A PowerPoint presentation was provided by Kevin Snedden, Director of Operations and Mary O’Rielly, MBLEX Coordinator, of the Federation of State Massage Therapy Boards (FSMTB). Mr. Snedden provided an overview of the various programs and services provided by the FSMTB. He also encouraged Board members to attend (FSMTB) Annual meeting scheduled October 2-4, 2014, in Tucson, Arizona. Mary O’Rielly gave an informative presentation about the Massage and Bodywork Licensing Examination (MBLEX). A brief question and answer session followed.

Department Update

Lind informed about the new allegation review procedures that will go into effect on July 1, 2014, requiring two Board members to review all allegations in addition to the Chairperson. Mueller asked Gennety and Miazga to assist with the allegation review.

Lind updated Board members about SB 597, a bill that would require all health professional licensees to complete training in recognizing the signs of Human Trafficking. This requirement would apply to both original and renewal licenses.

Lind explained that the draft rules may need additional revisions, and that the rules would be returned to the Rules Committee to discuss possible revisions.

PUBLIC COMMENT

Janine McKay commented that Massage Therapy Test Exams should be a mandatory gatekeeping measure for qualifying for licensure. She also believes the rules should require substantive Continuing Education (CE) offerings and a course in ethics.

Nancy Levitt commented that accredited massage therapy schools should be able to offer Continuing Education (CE).

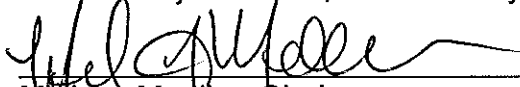

Eric Crytzer echoed Ms. Levitt's sentiments about allowing accredited massage therapy schools to provide CE.
