the Adjutant General of the Army, who is the  
custodian of the official records of the Armies of the United States. Exceptions to this rule may be made in the case of officials  
of patriotic and philanthropic societies and associations when it is known positively that the information is to be used exclusively  
by said society or association, and will not be made public nor communicated to any individual who may use it directly or  
indirectly as a basis for, or in the prosecution of, a claim against the Government, or to the injury of the soldier.

4. Except as hereinbefore provided, all persons seeking information relative to the military and medical histories of the  
soldier should be denied information from, or access to, this statement of service, as otherwise information legally unobtainable  
would be made available to persons who might perpetrate frauds upon the Government, or who might seek to injure the soldier.

5. Except the data contained on the first four lines and that relating to battle casualties and physical disability, this statement  
is prepared as far as practicable from the service record, and no effort has been made to compare the data obtained from  
the service record with other records, except where an error or discrepancy is patent.

6. Some enlistment papers show age at enlistment, while others show date of birth. The entries recorded herein are in the  
same form as those on the enlistment paper.
