No later record

1. Jack Carson, #126397, has never been returned to military control since his escape from confinement, August 21, 1919, and is still a deserter at large.

2. Statement of service cards of all soldiers who were wounded in action were placed on #724-9 cards. Form card 724-9 in this case is therefore correct.

By order of the Secretary of War:

May 25, 1928

6. Some enlistment papers show age at enlistment, while others show date of birth. The entries recorded herein are in the same form as those on the enlistment paper.
