all whom it may concern:

The following information from The Adjutant General, Washington, D., under date of March 28, 1929, is published for the information and guidance of all concerned:

"The name of Silvano Sebastianelli, Order No. 2451, Serial No. 125, a registrant of the Local Board for Iron County, Michigan, will be removed from the published list of alleged draft deserters.

"The induction order directing this registrant to report to his local board for military duty on July 25, 1918, was mailed to an incomplete address, consequently it was ineffective and his induction into the military service was not accomplished. Not having been inducted into the military service, he could not properly be recorded as a deserter therefrom."
