Department Update

Ramsdell announced her appointment as Director for the Bureau of Health Professions and briefly spoke in regards to the transition of the Department to Licensing and Regulatory Affairs. Ramsdell informed the Board of the Governor's Office appointment of an administrative rules committee to review all licensed programs in the state. She noted that licensing and certifications will be looked into to see whether both are needed. She stated that health professions should not be affected by the review. Ramsdell advised that the Optometry regulations will likely stay the same and that the final committee report should be out early next year.
