New Early Childhood Count and Early Childhood Kindergarten Participation Reports Released in Preview

The Center for Educational Performance and Information (CEPI) is pleased to announce the following reports available in preview at www.mischooldata.org.

Updated Reports Available in Preview*

- **Early Childhood Child Counts.** Provides program participation counts for Early Childhood programs in Michigan for school years 2011-12 to 2014-15. This report shows how many children participated in early childhood programs by location, school year, program type, and demographic information. Users are able to see how participation counts have changed over time.
- **Early Childhood Kindergarten Participation.** Provides Early Childhood program participation prior to kindergarten enrollment for school years 2012-13 to 2014-15. This report shows which early childhood programs kindergarteners were enrolled in prior to beginning kindergarten.
- **Note:** You must be logged in at www.mischooldata.org to see the Early Childhood Reports. These reports can be found under the left hand navigation Early Childhood link and then under the "New Early Childhood" tab. This tab will be removed and the reports will be available under the "Early Childhood" tab when the reports are released to the public.

**The preview window is for educators to see data before they're released to the public. The data are embargoed from being released to the media or any outside party until they're released publicly.*
