Upcoming Changes to CEPI Website

The State of Michigan is in the process of changing to a new website content management system. While the content of the CEPI website will mostly remain the same, the look of the site will change.

- The vertical navigation menu will be replaced with a horizontal menu bar.
- Current URLs will be replaced with "friendly" URLs. For example, michigan.gov/cepi/0,4546,7-113-986---,00.html could become michigan.gov/cepi/k12/
- The color scheme will change to be consistent with SoM websites.

The links and content for CEPI's applications will not change. Users will continue to log in through MILogin at the same URL as before. Likewise, MI School Data will not be affected by the change.

Old links and bookmarks for the CEPI website should automatically forward to the new URLs.

The goal is to complete the changeover by the end of 2021. We will send a follow-up note once we have a firm go-live date.
