Center for Educational Performance and Information

CEPI has posted the XML schema and sample files for the 2014-15 school year Early Roster Collection. They are located on the [MSDS Early Roster Collection](#) Web page in the "Resources Effective May 2014" section of the page.

A new test type, "Other," has been added to the collection, and gives users the option to report Kindergarten Entry Assessment (08) and Interim (09) assessment test types. With the addition of the new test types, the XML schema minor version has been changed to "3".

In addition, the 2014-15 business rules spreadsheets for the OEAA Assessment Component have been posted to the [2013-2014 MSDS Collection Component Matrix](#). Two versions will appear on the Matrix. One for the 2013-14 school year and another for the 2014-15 school year. Please refer to the one labeled "OEAA Assessment (Effective May 2014)" for the 2014-15 school year.
