APPROVAL OF MINUTES

MOTION by Farida, seconded by Fakhoury, to approve the August 11, 2010 meeting minutes as presented.

MOTION PREVAILED

APPROVAL OF AGENDA

MOTION by Bach, seconded by Fakhoury, to approve the agenda with the following additions:

Under **NEW BUSINESS**, MPJE Standards Meeting Update will be added as item "C," NABP Interactive Member Forum Update will become "D," Ferris State Accreditation Visit Update will become "E," Peer Review will be added as item "F," and Department Update will become "G." Under Department Update, District IV Annual Meeting will be added as item "3."

MOTION PREVAILED

DISASTER PREPAREDNESS PROTOCOL

This presentation was not held.

COMMITTEE REPORTS

Rules Committee

Collins advised that the Committee will be reviewing draft 16 at today's meeting. She stated that progress continues.

Policy Committee

No report.

Disciplinary Subcommittee

Senneker reported that at the August meeting the DSC levied \$10,750 in fines. He stated that 11 cases were decided, those being 9 consent order and stipulations, 1 order for dismissal, and 1 administrative complaint.

CE Approval

Fakhoury directed the Board to the updated list of CE courses that had been reviewed and were being presented for the Board's approval.

MOTION by Farida, seconded by Bufe, to approve the Continuing Education Programs as presented.

MOTION PREVAILED

See Addendum #1 attached hereto.

OLD BUSINESS

None

NEW BUSINESS

JCPP Meeting Update

Farida stated that the JCPP has expressed concern that rules are being developed that affect pharmacy programs without the Board or Department communicating with the JCPP. She advised that the JCPP is requesting that they be included in future decisions which will affect pharmacy education programs. Farida reported that the issue of concern with regard to potential rule changes is being specifically tabled pending further discussion between the JCPP, the Board and the Department. Discussion of the process by which stakeholders are involved in the rules process was discussed.

MPJE Review Update

Almaklani stated that in August, he, Farida, Collins, and two inspectors from the Department attended this meeting and reviewed 2,000 old and 1,500 new test questions. Collins commented that the process was much smoother with state inspectors and additional board members participating in the review. She indicated that inspector involvement in the future would be valuable.

MPJE Standards Meeting Update

Collins advised that the focus of this meeting was to determine what the minimum cut score for the MJPE exam should be that would measure minimum competency and produce sufficiently knowledgeable entry level pharmacists. She reported that the NABP advised that 93% of first time test takers are passing the MPJE. The NABP requested this review to determine whether the current exam meets the level of competence the NABP is striving for. Collins indicated that training was held for participants to teach reviewers to determine how the question is being tested in the exam pool. She stated that following the training and review of the questions, it was decided that the cut score should be raised from 70 to 73. Collins reported that upon final review of this score by all parties involved, it is anticipated to be effective on January 1, 2011, and that it is the intention of the NABP to bring the standards of the MPJE to that which reflects current law and the evolving practice of pharmacy. Farida stated that the NAPLEX has gone through a similar process.

NABP Interactive Member Forum Update

Collins stated that this meeting was held in conjunction with the NABP standards meeting. She reported that this brought board members from across the country together to discuss issues each state is facing, provide networking opportunities and brainstorm on "hot topic" issues. Collins advised this will forum will be held yearly with an opportunity for board members, inspectors, and board executives to attend at different times.

Ferris State Accreditation Visit Update

Collins advised that she recently participated as an observer on behalf of the Board in the evaluation and accreditation process of the Doctor of Pharmacy program at Ferris State University from September 14 thru 16. She indicated there were a few action items for the University, but the accreditation was approved. Collins stated that she found the experience valuable.

Peer Review Program

Bach provided information regarding the status of implementation of the peer review program and the challenge of lowering medication dispensing errors. He advised that the intent of the program is to determine why the error occurred and be proactive in helping pharmacists improve their practice before ending up in the disciplinary process. Bach advised that the process needs to be such that people are not fearful of self-reporting. He stated that pharmacists will have the opportunity to self-report and that the reporting will be reviewed by an independent peer review panel. Bach advised that the reporting would not go further than the peer review panel unless a complaint was filed. He indicated that the organization has been incorporated as non-profit and that the board of directors would be meeting on November 1st. Bach stated that the organization will be discussing plans for a mailing to be sent to all pharmacists in Michigan announcing the

creation of the organization and advising of the procedure to report a medication error. Bach advised that there is a large gap between the number of reported dispensing errors and the number that are actually occurring.

Department Update

Introduction of Pharmacy Inspectors

Mike Wissell, Manager of the Department's Pharmacy Division, introduced inspectors Bob Regan, Vaughn Hafner, Janice Waldmiller, and Susan Mangun. Each inspector provided a brief background.

AAG Scallen introduced AAG Kelly McLean who will be assisting the Board in the future as Scallen will be retiring at the end of this year.

NABP 2011 Annual Meeting

VanBeelen stated that this meeting will be held May 21-24, 2011 in San Antonio, Texas and that the NABP will once again be offering the representing board member a \$1,500 travel stipend, which does not include the meeting registration fee. Collins advised that she would be attending on behalf of the Board. Bufo advised that she would also be attending.

District IV Annual Meeting

Ramsdell advised that the Department was just recently advised of the dates for this meeting and inquired if a member desired to attend on behalf of the Board. Fakhoury stated that she has attended in the past and wished to do so this year. Ramsdell advised that the Department will attempt to obtain approval for reimbursement of Fakhoury's travel expenses. Bufo indicated that she would be attending at least one day of this three day meeting. Bach advised that executive (chair and secretary/treasurer) elections will also be held. Bufo expressed a desire to serve on the executive committee and VanBeelen will contact Doug Miller of District IV to determine if public board members are able to serve as District IV committee members.

REGULATORY COSIDERATIONS

Hanee Ismail Jadallah, R.Ph. – Petition for Reinstatement

MOTION by Farida, seconded by Almaklani, to grant the Petition for Reinstatement in the matter of Hanee Ismail Jadallah, R.Ph.

Discussion was held.

The motion was withdrawn.

MOTION by Farida, seconded by Bach, to deny the Petition for Reinstatement in the matter of Hanees Ismail Jadallah, R.Ph., for the reason that there is insufficient information regarding the status of Petitioner's current psychotherapy treatment, the medications Petitioner is currently taking, and the reasons for which Petitioner worked in a pharmacy while his license was suspended.

Discussion was held.

A roll call vote followed: Yeas: Bach, Farida, Fakhoury, Cousens, Bufe, Senneker, Almaklani, Collins
