Education matters. Discover what's working in Michigan at [MI School Data](#).

MSDS News

MSDS EC EOP Collection Closes Tonight at 11:59 p.m.

The MSDS Early Childhood End-of-Program 2018 Collection closes at 11:59 p.m. EDT tonight (Aug. 15). Your district's collection status must be "Written to Queue – Available for Certification," "Processing Certification" or "Certified" by this deadline.

Additional resource materials are located on the [Early Childhood Collection web page](#).

2017-18 SRM Collection Open for GAD Appeals, Section 23a and English Learner Exits

The 2017-18 SRM Collection is open until Wednesday, Sept. 12 at 11:59 p.m. EDT.

Appealable rates are now available for review in the Graduation and Dropout Application for the [Graduation Rate Appeals Window](#).

Additional information on August Section 23a Claims and Exiting Proficient English Learner Students can be found in the [Aug. 1 CEPI Announcements](#).

FID 2017-18 Collection Opens Sept. 4

The [Financial Information Database](#) application opens on Sept. 4 for the collection of 2017-18 financial data. FID data are due to CEPI by Thursday, Nov. 1. Support materials can be found on the [FID web page](#). Information on the Michigan Public School Accounting Manual is located on [MDE's website](#).

Data Systems Quarterly Training Presentations

Throughout the past year, the CEPI Data Systems team has hosted quarterly trainings throughout the state. Presentations given at these trainings are now available on the [CEPI Data Systems Quarterly Trainings](#) web page in PDF format. If your school district is interested in hosting a quarterly training in 2019, please contact CEPI Customer Support.

MI School Data: Report Release News

Preview Release Scheduled

[College Readiness](#)*: Shows how students performed on the College Board SAT completed during the Michigan Merit Examination in the spring of eleventh grade. The reports will soon be updated with school year 2017-18 data. The data will be released in preview before public release.

[Grades 3-8](#) and [High School](#) Assessments*: Will soon be updated with school year 2017-18 MSTEP and MI-Access data. The data will be released in preview before public release.

*The preview window is for educators to see data before they're publicly released. Data are embargoed from being released to the media or any outside party until they're released publicly.

Secure Reports Release Scheduled

Student-level M-STEP Data: [Grades 3-8](#) and [High School](#) Performance level reports will soon be updated with 2017-18 student-level M-STEP data.

Student results are protected and MUST not be publicly reported, but a student's results may be shared with their parents. The data are **EMBARGOED** until the public release of spring 2018 assessment results, meaning districts and schools are prohibited from using the student-level data to create and publicly report aggregate results. Districts and schools will be notified by MDE when the embargo has been lifted.
