COMMITTEE REPORTS

INVESTIGATIONS AND ALLEGATIONS

Rogers reported that the Investigations and Allegations Committee reviewed 35 files. Sixteen (16) files were authorized for investigation, and 19 files were closed. At a subsequent meeting, the committee reviewed 25 files. Eight (8) files were authorized for investigation, and 17 files were closed.

OPERATIONS COMMITTEE

Burney reported that committee members met prior to today's meeting and will submit comments regarding the Federation of State Medical Boards (FSMB) policy on clinically inactive physicians.

Starting in January 2013, the Operations Committee will begin reviewing and revising the Administrative Rules.

DISCIPLINARY SUBCOMMITTEE

Fraley reported that the Committee met prior to today's meeting and considered 11 matters: 7 consent order and stipulations, 2 dismissals, and 2 administrative complaints.

CHAIRPERSON'S REPORT

Burney reported that he receives daily communications from bureau staff, and he provided a summary of the number of allegations he has handled since the last meeting. Among these, during the last two months, he assigned Conferees to 12 cases and approved 3 physician summary suspensions. He has served as the Conferee for 4 compliance conferences.

OLD BUSINESS

NEW BUSINESS

HPRC Nomination – Charles F. Gehrke, M.D.

MOTION by Weingarden, seconded by Graham, to appoint Charles F. Gehrke, M.D. as the Board of Medicine representative of the HPRC. A voice vote was held.

MOTION PREVAILED

Assignment of Nominations Committee Members

Burney assigned Fraley, Leung, Dull, and Cameron to serve as members of the Nominations Committee for 2013. They will work with Lind to prepare a list of candidates for the Chair and Vice Chair offices for presentation at the January 16, 2013 Board meeting.

News Release – Bureau of Health Care Services

Ramsdell informed the Board that the Bureau of Health Professions and Bureau of Health Systems merged as of November 13, 2012. It will now be known as the Bureau of Health Care Services.

Department Update

Ramsdell informed the Board that legislation has been introduced to grant independent licensure to Advanced Practice Registered Nurses (APRNs). Since we are nearing the end of the legislative session, this legislation will likely be re-introduced in 2013.

Draft Resolution to the Federation of State Medical Boards (FSMB)

Burney presented a draft resolution entitled, "Working with Hospitals to Employ Quality Improvement Principles and Processes in Board Disciplinary Actions," and he asked the Board for feedback. Discussion was held regarding the legal and philosophical challenges associated with boards requesting information as part of a license-related disciplinary action that might be considered by hospitals as privileged peer review information, because any information coming to the Board would become available to the public. Burney will work with the Operations Committee to study the matter further.

L.A. Times Article: "Tighter Oversight of Prescription Drug Deaths Sought"

Weingarden presented for information an article from the L.A. Times regarding a bill introduced to the California legislature that would require coroners to report all prescription drug-related deaths to the California Medical Board. Wissel told the Board that since there were more prescription drug-related deaths than illegal narcotic related deaths, he thought this was a good idea. He said that the Pharmacy Services Unit is working with the Michigan Association of Medical Examiners, asking medical examiners in Michigan to voluntarily report any deaths related to prescription drugs.

CSAC Guidelines

Wissel presented the Controlled Substance Advisory Commission's (CSAC) updated "Michigan Guidelines for the Use of Controlled Substances for the Treatment of Pain." Ramsdell asked Board members to review the document in preparation for discussion at the next Board meeting.

Draft Report of the MOL Workgroup on Clinically Inactive Physicians

Burney circulated the FSMB draft report of the MOL Workgroup on Clinically Inactive Physicians.

Congressional Telehealth Bill for 2012: Outline

Burney circulated for information the Congressional Telehealth Bill of 2012. FSMB believes the bill is moving rapidly.

Meningitis Update

Tocco-Bradley updated the Board on the St. Joseph Mercy Health System's current experience with the fungal meningitis outbreak. She reported that approximately 800 patients received mold-tainted steroid injections from a pain clinic in Brighton. In this group, over 100 persons have become ill, and more than 10 have died from fungal meningitis. In addition to fungal meningitis, patients have presented with stroke like symptoms, epidural abscesses, and septic joints. This epidemic has placed a huge burden on the St. Joseph Mercy Hospital over the past 2 months, and the end is not in sight. Their proactive response to the situation has been exemplary.

PUBLIC COMMENT

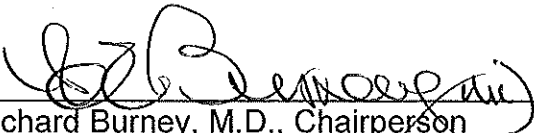

None.
