1. This statement of service is furnished under the provisions of the act of Congress approved July 11, 1919.

2. This statement is furnished primarily for historical purposes, although it may be used in adjudicating claims in which the State is solely concerned. It is not to be used before a court of justice or in support of any claim against the Federal Government. The law prohibits the furnishing of any information that may be used in the prosecution of a claim against the Government, except to the proper Government officials.

3. Applications from individuals, other than historians and statisticians, for information from this statement of service should be denied and the applicant directed to apply for the information to The Adjutant General of the Army, who is the custodian of the official records of the Armies of the United States. Exceptions to this rule may be made in the case of officials of patriotic and philanthropic societies and associations when it is known positively that the information is to be used exclusively by said society or association, and will not be made public nor communicated to any individual who may use it directly or indirectly as a basis for, or in the prosecution of, a claim against the Government, or to the injury of the officer.

4. Except as hereinbefore provided, all persons seeking information relative to the military and medical histories of the officer should be denied information from, or access to, this statement of service, as otherwise information legally unobtainable would be made available to persons who might perpetrate frauds upon the Government, or who might seek to injure the officer.
