REP Submission Completion Reminder

EOY 2015 Registry of Educational Personnel (REP) data are due to CEPI on June 30, 2015. All successfully submitted records will show green check marks next to the Personnel Identification Code numbers. If a record indicates a red "X," the record still must be updated. When all current employee records have green check marks and all new staff member records have been submitted and have green check marks, the submission is complete.

CEPI will be completing the mid-collection analysis of all data submitted to the REP by June 1, 2015. Emails of any possible anomalies will be sent to district authorized users the following week.

MSDS EOY 2015 General Collection Now Available

The Michigan Student Data System (MSDS) EOY 2015 General Collection opened on May 4, 2015.

Important Dates

- June 11: EOY 2015 General Collection data quality snapshot
- June 30: EOY 2015 General Collection certification deadline

Please visit the [MSDS General Collection Web page](#) for more information about the General Collections, or read the [EOY General Collection Memo](#) for more details and a list of updates and enhancements.

MSDS Early Roster Collection Now Available

The Early Roster Collection re-opened on May 6, 2015. Districts may choose to report their expected student roster for fall 2015 beginning at this time. The system will continue to use the current Early Roster schema until CEPI completes its system rollover for the 2015-16 school year in mid-September. Once the rollover has been completed, the Early Roster schema will be updated to accommodate system requirements for the 2015-16 school year. Please alert your SIS vendor and/or technical support personnel of this pending change.

MSDS Direct Certification Report Refresh: May 6

The final report of 2014-15 school year students who are directly certified to receive free supplemental nutrition services was refreshed on Wednesday, May 6, using the following records:

- Early Roster Collection (nonpublic schools only) records that were resolved and error-free prior to May 2
