The 2013-2014 Mid-Year TSDL Collection will close at 11:59 p.m. EDT on Wednesday, February 26, 2014. The Certification Status for your district's collection must be "Written to Queue – Available for Certification," "Processing Certification" or "Certified" by this deadline. Remember, your files must be error-free and you must successfully complete the Quality Review process before the system will allow you to certify.

As a reminder, all migrant-eligible students are required to be submitted in this collection. It is expected that at least one teacher will be reported for each student. The only exceptions are for early childhood and adult education students. All migrant-eligible students' courses must be reported, even if the courses are not included on the students' academic records. This includes non-public students and home-schooled students. You can find a list of migrant-eligible students in your district in the Migrant Student List under the General Reports link on the left side of the screen in MSDS.
