## Embargoed Aggregated Assessment Data and Individual Scores Coming Soon on MI School Data

MDE has planned a public release of Spring 2021 assessment results on Tuesday, Aug. 31. In preparation for that release, CEPI will provide embargoed assessment data for districts to use for planning purposes. Districts will have the following embargoed data available for district review by the close of business on Tuesday, Aug. 24 through MI School Data:

Aggregate scores for:

- Grades 3-8 State Testing (M-STEP, PSAT and MI-Access data)
- High School State Testing (M-STEP, SAT and MI-Access data)
- College Readiness (SAT data)

Individual student results will be accessible through MI School Data in the next few days. M-STEP Distribution and Target Analysis data will be released shortly after the individual student results.

Reminder: Spring 2021 test results are embargoed until the public release of Spring 2021 assessment results on Aug. 31. While individual student results may be shared with parents at this time, it is not permissible to share any school-, district-, or state level results with parents, the community, or other external parties until the embargo is lifted by MDE.

School board meetings are considered open meetings; therefore, the sharing of embargoed assessment results at these meetings is not permissible until the embargo is lifted.
