NEW BUSINESS

Multistate Pharmacy Jurisprudence Exam (MPJE) Item Review Session Report

Smeelink stated that she and Penny attended the annual meeting that was held in Ann Arbor, Michigan on October 31-November 2, 2012. She reported to the Board that participants reviewed 1000s of questions related to Pharmacy. Schmidt spoke of his experience attending last year, explaining that he reviewed 2,300 questions. He stated that the NABP will decide which questions will be placed on the exam.

Administrative Rules Process

Lind provided Board Members with a 2-page overview of the administrative rulemaking process and explained the same.

Emergency Scheduling Process for Unscheduled Dangerous Substances

Ramsdell explained a new Law for the emergency scheduling of unscheduled dangerous substances. She stated that an emergency rule would be effective for six months. An extension can be requested for an additional six months for a total of twelve months. The Board would still need to go through the complete rulemaking process to promulgate a permanent rule.

Gonzales provided a brief overview of Department of Community Health role in gathering information about unscheduled dangerous substances.

Department Update

Ramsdell provided Board Members with a Legislative Update memo and Senate Bill No. 789 for board members to review.
