SID Update – March 12, 2014

The End-of-Year (EOY) 2014 SID Submission data are due to the Center for Educational Performance and Information (CEPI) by June 30, 2014. The SID Application will be open for data submission April 1, 2014, through June 30, 2014, at <https://cepi.state.mi.us/sid/>.

Any district planning to obtain a copy of its EOY 2013 SID District Submission Summary Report and individual school/facility reports must do so by March 18. After March 18, the SID database will be updated for the EOY 2014 data submission. To print copies of your district's summary report, go to the SID Application's Main Menu and click on "District Submission Summary Report," which is located under the "Reports" heading. To print copies of your district's individual school/facility reports, click on the report icon to the left of the school/facility name on the SID Main Menu.

Please refer to the information available on CEPI's Web site at www.michigan.gov/cepi. Click on "CEPI Applications" and then click on "School Infrastructure Database." Be sure that you are using the correct version of the SID Data Field Descriptions (EOY 2014). In addition to the manual, please refer to other valuable documentation under the SID Help section, including the EOY 2014 User's Guide and Frequently Asked Questions (FAQs).

If you have questions concerning the SID submission, please send an e-mail message to the CEPI customer support team at CEPI@michigan.gov, or call 517-335-0505 and select option 3. Please provide your name, district code and district name, the CEPI application name, your telephone number (including area code and extension), your e-mail address and your specific questions.
