New and Updated Reports Released

The Center for Educational Performance and Information is pleased to announce that the following reports are available at www.mischooldata.org.

Reports Available to the Public

- [Early Childhood Participation by Kindergarten Count](#). 2015-16 school year data are available. The Early Childhood Participation by Kindergarten Count report shows the early childhood program participation by kindergarten cohort class.
- [Retained in Grade](#). 2015-16 school year data are available. The Retained in Grade report displays counts and percentages of students enrolled in the same grade level for two consecutive school years.
- [Non-Resident Status](#). 2015-16 school year data are available. The Non-Resident Status report reflects students who live in your district but attend school in a different district, and students who reside in other districts but attend school in your district.
