The Student Transcript and Academic Record Repository (STARR) Collection is now open! This collection will remain open from May 18, 2015 through June 18, 2015. The 2015 STARR Collection is to include all academic sessions that have ended early enough to have completion data available for submission. In general, we would expect to see student data from May 2014 to April 2015. The Institution of Higher Education ([IHE](#)) [Web page](#) has been updated with information and support documents regarding the 2015 STARR Collection in the MSDS.

Thank you.
