February 12, 2014 was the State-legislated supplemental pupil membership count date. Except as noted below, users will no longer be able to submit a student record with an "As Of Date" prior to 2/12/2014 in the Student Record Maintenance (SRM) Collection. Any updates or changes from prior to 2/12/2014 should be included in the Spring 2014 General Collection.

If your ISD Auditor has denied any of your Section 25 requests and instructed you to resubmit them with corrected information, CEPI and MDE have extended the time you have to resubmit. The "As Of Date", Enrollment Date, and "First Day in Attendance" must be prior to February 12, 2014. Initial Section 25 requests not submitted by February 11, 2014 are not permitted.

If you have questions, please send an email message to CEPI@michigan.gov or call 517-335-0505 and select option 3. Please provide your name, district code and district name (if applicable), the CEPI application name, your telephone number (including area code and extension), your email address and your specific questions.

Thank you,

CEPI
