1. Mike Vaszichin, #50853, has never been returned to military control from his desertion of October 25, 1918 and is still a deserter at large. It is requested that the statement of service card for this soldier be amended to show date of desertion as October 25, 1918.

2. Statement of service cards of all soldiers who were wounded in action were placed on #724-9 cards. Form card 724-9 in this case is therefore correct.
