Updated Report Available

The Center for Educational Performance and Information is pleased to announce that the following report is available at www.mischooldata.org.

Reports Available to the Public

- [College Enrollment by High School](#). 2014-15 high school graduation year data have been updated due to an error that did not assign the correct institutional level to three community colleges: Northwestern Michigan College, Jackson College and Lake Michigan College. This data update is now available to the public. The College Enrollment by High School report shows the number of Michigan public high school graduates who enrolled in a college or university.
