Your college did not complete the 2016 ACS data submission. As specified in the State School Aid Act [(MCL 388.1806)], these data were due to the Center for Educational Performance and Information (CEPI) on Tuesday, November 1, 2016. Colleges are required to submit ACS data on the MichiganCC.Net website by the reporting deadline.

Due to a technical issue with the ACS data collection system, the following required data fields were missing from ACS 5:

·   Tuition and Fees

·   Property Tax

·   State Aid

·   All Other

·   Pell Support

CEPI is allowing colleges to complete the missing fields in ACS 5 by **Monday, November 14, 2016 at 11:59 p.m. EST.** We will notify the State Budget Office of any colleges that have not finalized their submission after that date, as they may be subject to installment withholdings per statute.

For questions regarding the ACS data submission, please contact CEPI customer support by email at CEPI@michigan.gov or call 517-335-0505, x3. Please provide your name, institution entity code and institution name, the CEPI application name, your telephone number (including area code and extension), your email address and your specific question(s).

Thank you for your attention to this matter.
