Announcing: Class of 2014 data available in College Enrollment by High School

December 23, 2014

The Center for Educational Performance and Information (CEPI) is pleased to announce the following updated reports are available at www.mischooldata.org.

Updated Reports

The following reports have been updated:

- **College Enrollment by High School class of 2014 data available in preview.** The College Enrollment by High School report shows the number of Michigan public high school graduates who enrolled as an undergraduate in a U.S. college or university. Data for the class of 2014, including college enrollment for 2014, have been loaded.

The three Postsecondary Outcomes reports have been updated with data from the 2012-2013 school year. If you have preview access to these reports, when you log in you'll see two versions: the reports with **New** before the title are the updated versions with reloaded data.

Preview Window. The preview window is for information only, and the data are embargoed from being released to the media or any outside party until they're released publicly.

Secure Access. You must be a MI School Data authorized user with preview permissions to review reports in preview. If you're a school, district, or ISD employee, [contact your ISD Technical Contact or Curriculum Contact](#) to request a username and password for the site.
