This message is a reminder that the November 15th deadline is approaching to fulfill the new reporting requirements associated with section 209 (subsection 5) and section 245 (subsection 6) of the State Aid Act.

By November 15, 2014, Colleges will need to:

- Complete the spreadsheet containing information from the 2013-2014 school year.
- Submit the spreadsheet to CEPI by emailing it to CEPI@Michigan.gov Regarding: Postsecondary Reporting Requirements for Sec. 209 Subsection (5) or Sec. 245. Subsection (6).
- Post the spreadsheet on your website under your college Budget Transparency Badge Reporting link.

CEPI realizes that you may be looking for definitions or enumerations for some fields such as instructor type and location. However, those definitions, beyond the included wording of the legislation do not exist. Please use your best judgment in completing the survey.

Some of the fields may require more text than may be reasonable in the block provided in the spreadsheet. If this is the case for your college, you can either provide a link to the information in the block or send the information in a separate document with the spreadsheet.

If you are not the appropriate person to receive this message on behalf of your college, please forward it to the appropriate person.

If you have questions, please send an email message to CEPI@michigan.gov or call 517-335-0505 and select option 3. Please provide your name, entity code and college name (if applicable), your telephone number (including area code and extension), your email address and your specific questions.
