## **NEW BUSINESS**

### **Date Verification of TPA or DPA Certification for ABO Candidates**

Lakin stated that he received communication from the ABO regarding the requirement that the TPA or DPA certification date is needed to complete the application for an additional ABO certification. Due to the fact that this information is not currently available on the Department's public website, Ramsdell advised that licensees who desire this information should send a letter or e-mail to the Department requesting that the TPA or DPA certification date be added to their information available on the Department's website.

Ramsdell directed the Board to a publication entitled "TestPoints" which the Department received from the National Board of Examiners in Optometry.

A brief discussion regarding the 2008/2009 Bureau of Health Professions Annual Report was held.

Ramsdell advised that with the upcoming change in state administration, new appointments and reappointments may be on hold.
