OLD BUSINESS

FSBPT Annual Meeting Summary

McAllister gave a report on the FSBPT meeting in October 2015. The meeting focused on education for Board members. Also, much attention was paid to the Licensure Compact and the ability for physical therapists to cross state borders. Ten states are needed to agree to the Licensure Compact.

MPTA Spring Meeting Summary

Middha and Swain reported their attendance at the spring meeting and that the meeting had a good focus and their programs on continuing education were very beneficial.

NEW BUSINESS

PDR Audit Process

Kathy Sly and Jodi Cornell from the Licensing Division discussed the PDR audit process with the Board. The Bureau's database randomly selects 10% of licensees who are up for renewal for audit to determine if they have complied with PDR requirements. If they have not, the licensees are given an opportunity for correction. Sly and Cornell also reported that there is a new database in the works.

Chairperson's Report

Gilbert wanted the Board to be aware of HB 4712.

Gilbert and McAllister discussed the Examination Licensure Disciplinary Database (ELDD). The ELDD needs updating because new staff has been added.

Gilbert and Middha presented FSBPT Option which is a self-assessment tool that can be accessed at www.fsbpt.org/SecondaryPages/Licensees/ContinuingCompetence/oPTion.aspx. Middha indicated that this could be a resource for licensees attempting to establish ability to practice when seeking reinstatement.

Department Update

Carpenter reported that she held a phone conference with Marlan and Gilbert regarding the rules allowing for delegation to licensed or unlicensed individuals. Additionally, the Rules Committee met before today's meeting to review the current rules. The supervision requirements in the rules comply with the statute but can be cleaned up. A physical therapist is ultimately responsible for the delegated tasks but the extent of liability to the delegator's license is based upon facts specific to the case.

Carpenter reported that the human trafficking training is separate from PDR requirements and is a one-time training. There are many options for free training and self-certification to fulfill the training requirement.

PUBLIC COMMENT

Susan Talley, the HPRC appointee addressed the Board and spoke about the MPTA planned activities for Advocacy Day on April 13, 2016.
