CEPI will be completing a data quality analysis of all certified and error-free staging records submitted in the Spring 2014 Early Childhood Collection in MSDS through 11:59 p.m. EST, February 2, 2014. If your entity plans to certify data in this collection and would like to take advantage of this service, please either certify your Spring 2014 Early Childhood Collection or ensure your submitted records are error-free by 11:59 p.m. EST, February 2, 2014. Emails regarding possible anomalies will be sent to MSDS authorized users no later than February 10, 2014. This will allow MSDS users time to review potential issues and make any necessary adjustments prior to the Spring 2014 Early Childhood Collection February 19 certification deadline.

Thank you.
