The Center for Educational Performance and Information (CEPI) is recruiting to fill a Customer Support/Civil Service Departmental Analyst 9-P11 position. As a member of the CEPI Customer Support Team, the individual will provide front-line customer support services to schools, post-secondary institutions, state agencies, educational associations and others seeking assistance or information regarding CEPI's educational data collection applications, reports and systems, and related portal and website. The individual will also perform a full range of professional research and analysis assignments in support of CEPI's student, school, educational personnel and financial database applications. The work requires a thorough knowledge of agency applications, processes, and policies, independent problem-solving skills, excellent oral and written communication abilities, and strong attention to detail in order to effectively provide a professional level of service to internal and external customers.

**Required Education and Experience:**

**Education**

Possession of a bachelor's degree in any major.
