Updates to Postsecondary Reports

The Center for Educational Performance and Information (CEPI) is pleased to announce the following updated reports are available at www.mischooldata.org.

Updated reports available

- **[College Enrollment by High School](#)**. 2014-15 high school graduation class fall data are available. Note that this data has been reloaded since the initial preview announcement sent in late December. Additional data are available for the 2010-11 through 2013-14 high school graduation classes. The report shows the number of Michigan public high school graduates who enrolled in a college or university.
- **[College Remedial Coursework](#)**. 2013-14 high school graduation class data update are available. The report shows the number of Michigan public high school graduates who took at least one remedial course after enrolling in a Michigan college or university the year after high school graduation.
- **[Student Pathways Aggregate](#)**. 2014-15 high school graduation class fall data and additional data for the 2007-08 through 2013-14 update are available. The report is a convenient, one click way for a high school to download a packet that provides college enrollment, credit accumulation, remedial coursework and progress data for its graduates.
- **[College Transfers](#)**. 2014-15 data update is available. The report shows the transfer patterns, demographics, and performance data for undergraduate students who transfer from one college or university to another.
