Welcome to the new CEPI GovDelivery e-mailing service! The GovDelivery service has now replaced the CEPI Listserv groups from which you previously received communications. Please be aware that GovDelivery is a one-way notification service. You will not be able to reply to these messages.

MSDS and REP discussion groups. The REP and MSDS Listservs are continuing as email discussion groups. If you were a Listserv subscriber as of December 13, we provided your email address to Macomb ISD and your subscription will continue as before. CEPI thanks Macomb Intermediate School District for offering to host this service.

These discussion group emails will come from MSDS@mischooldata.org or REP@mischooldata.org; your replies to these emails will be sent to discussion group subscribers as before. Just as before, you will be able to initiate conversations with all subscribers by sending an e-mail to the addresses MSDS and REP addresses above.

Details about the new service, including links for changing your subscriptions, can be found on the [CEPI website](#).

As always, we thank you for your continued support as we implement this change.
