## Updated Reports Available

The Center for Educational Performance and Information (CEPI) is pleased to announce the following new reports have been updated at [www.mischooldata.org](http://www.mischooldata.org).

- [Student Mobility](#) shows counts of students who have changed schools within a given school year. 2014-15 school year data are available to the public.
- [Attendance](#) compares attendance rates of all students with the attendance rates for chronically absent students. 2014-15 school year data are available to the public.
- [Student Pathways Aggregate](#) is a convenient, one click way for a high school to download a packet that provides college enrollment, credit accumulation, remedial coursework, and progress data for its' graduates. Data for the high school graduation classes of 2007-08 through 2013-14 are now available. Additional data for the graduation class of 2014-15 will be released in December.
- [Educator Effectiveness](#) summarizes how school districts have rated the effectiveness of their teachers and administrators. 2014-15 school year data are available for district preview.\*

\*The preview window is for educators to see data before they're released to the public. The data are embargoed from being released to the media or any outside party until they're released publicly.
