Section 20155(14) of Public Act 368 of 1978, as amended, requires that the Department also report this information to the standing committees having jurisdiction over issues involving senior citizens and fiscal agencies.

The information provided is based on data for the period October 1, 2001 through August 20, 2002.

Note: The nature of a complaint determines whether an off-hours investigation is required. All complaints received off hours do not require a weekend or evening response. A complaint alleging lack of activities for residents can be investigated through review of records and interview of residents during normal business hours.

The number of off-hours (night and weekend) standard surveys	41

Note: The percentage of off-hours standard surveys (10.1 %) exceeds the Centers for Medicare & Medicaid Services' requirement of 10 % off-hours surveys.

Note: The number of citations supported, amended and deleted does not equal the number of citations appealed because some are still pending review at the end of this reporting period.
