CEPI and MDE would like to remind you that any LEP student who tested proficient or graduated should have been reported as exited from the LEP program. The last opportunity to report LEP exits for the 2013-2014 school year was the EOY General Collection. All students who were not reported with a LEP Exit Date will continue to be designated as LEP eligible for the 2014-2015 school year.

To see all the students that were reported as continuing with your district and are designated as LEP eligible, please run the Program Participation Count Report located in the Certified Reports. Please select the Drill Down report option as this will provide you with the students reported as LEP within each building. If you discover that there are students who should be reported with an LEP Exit Date, please contact CEPI customer support immediately to request a re-open of your EOY collection and exit the students appropriately. All re-open requests will need to have their data corrected by July 18, 2014.

Note: The LEP Exit Date reported must be on or before June 30, 2014 to exit the student within the 2013-2014 school year.

If you have questions, please send an email message to CEPI customer support [CEPI@michigan.gov], or call 517-335-0505 and choose option 3. Please provide your name, district code and district name, the CEPI application name, your telephone number (including area code and extension), email address and specific questions.

Thank you for your efforts to improve the quality of your district's data.
