To assist the Michigan Department of Education's Division of Accountability Services (DAS) with the collection of Kindergarten Entry Assessment (KEA) and Interim Assessment data, two new contact types have been added to the Educational Entity Master (EEM):

- Kindergarten Entry Assessment Coordinator
- Interim Assessment Coordinator

DAS recently sent a communication to all district KEA and Interim staff advising them of the addition of the new contact types. They were instructed to contact their EEM entity authorized user to have the new contacts added to the appropriate district and school entities.

If you have questions about how to add a contact in the EEM, please send an email message to [CEPI@michigan.gov](mailto:CEPI@michigan.gov) or call 517-335-0505 and select option 3. Please provide your name, district code and district name (if applicable), the CEPI application name, your telephone number (including area code and extension), your email address and your specific questions.

Thank you,

CEPI
