## Attention All CEPI Application Users

Last week we emailed our application users an invitation to take our survey about the CEPI website and customer support. We are very happy to report we've received almost 1,000 responses so far.

The survey will remain open for another week, so if you haven't had a chance to participate, please click [here](#) to do so. The survey will take about 5-10 minutes of your time, and we plan to use the insights we receive to improve CEPI customer support services.

Thank you to all who have already participated, and we hope to see even more responses in the coming week.
