New and Updated Reports Available to the Public

The Center for Educational Performance and Information is pleased to announce that the following reports are available at www.mischooldata.org.

Important News

The Center for Educational Performance and Information has been working collaboratively with the Michigan Department of Education Division of Accountability Services to create a new [College Readiness](#) report featuring the College Board SAT. We have also updated our [Grades 3-8](#) and [High School Assessment](#) reports with the 2015-16 M-STEP and MI-Access Data.

Reports Available to the Public

- [M-STEP](#). 2015-16 School year data are available to the public. The Michigan Student Test of Educational Progress (M-STEP) report shows student proficiency in ELA, math, science and social studies. Claim-Subscore data is available for users with secure access.
- [MI-Access](#). 2015-16 School year data are available to the public. The MI-Access report shows how students with cognitive impairments have scored on Michigan's alternative assessment test.
- [College Board SAT](#). 2015-16 school year data are available to the public. The College Board SAT report shows how students performed in the subjects of Evidence Based Reading and Writing and Mathematics.

***Authorized users have permissions to view secure reports on MI School Data. If you're a school, district or ISD employee, contact your [ISD Technical or Curriculum Contact](#) to request a access. If you're a college or university employee, contact your [College/University Keyholder](#).*
