Chairperson's Report

Warbelow reported he received a survey from the Association of State and Provincial Psychology Board (ASPPB) discussing future Psychology graduate requirements. Warbelow will forward the (ASPPB) survey to Horak.

Warbelow discussed licensee allegations, and he summarized some of the more common cases he has reviewed.

Department Update

Lind reminded Board Members to refer to their green sheet titled "Regulatory Considerations-Case Types and Actions" for review during regulatory considerations.

Lind updated the Board on the proposed license fee increases. She stated the Bureau will research the investigation and disciplinary costs associated with each professional license and include the information with the disciplinary documents that are provided to the Disciplinary Subcommittees (DSCs). The Department expects that the DSC will consider these costs when assessing fines. Lind shared the current fee structure for all Boards.

Mitchell updated that the Rules Committee will be reviewing redundant Psychology rule language, and will attempt to have the language in alignment with the National rules language. The Committee will meet to discuss the rules after the full board meeting.

Warbelow thanked Mitchell for the help with the Rules Committee.

PUBLIC COMMENT

Kristin Sheridan, representing MPA, updated the Board on the status of Senate Bill 273.
