President of City Savings bank, brother of Hazer
S. Pingree, wrecked by defalcations of Frank C.
Andrews F 27, 1-7 1903

Is to become a bankrupt Mr 13, 11-1

Declared a bankrupt; liabilities, \$825, assets,
\$125,000 My 25, 1-6

Sells interest in Pingree Shoe Co. to J. L.
Hudson F 8, 3-2 1910

Stricken with apoplexy

Mr 29, 1-4

Suffers another stroke

Ap 2, 1-5

Died this morning, 58 Eliot St.

Ap 3, 6-4

Pingree foremen are pallbearers

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and the role of the accounting department in ensuring the integrity of the financial statements.

2. The second part of the document outlines the various methods used to collect and analyze data, including the use of statistical software and the importance of sample size and representativeness.

3. The third part of the document describes the results of the study, including the mean and standard deviation of the data, and the significance of the findings.

4. The fourth part of the document discusses the limitations of the study and the need for further research in this area.

5. The fifth part of the document provides a conclusion and recommendations for future research.
